★ ★ WELCOME ★ ★

TO LEGENDS OF THE FALL 2021

Dear Friends & Guests,

Welcome to the 3rd Annual Legends of the Fall Steer & Heifer Sale. It is wonderful to see so many of you in person again – especially after the past year and a half. We apologize for moving the sale location this year. The Arcuri Ranch is not available, as Ryan and family will be at their world horse show during this year's sale. Nonetheless, we are thrilled to host a live sale, and to offer the cattle we have assembled.

Arcuri Ranches, from Springfield, Oregon, is one of the state's leading Purebred Angus operations. Ryan and family have assembled over 40 head of the most trusted genetics from the industry's leading programs. You can find cow families from Express, Silveiras, Gohrs, and more roaming the hills of the ranch. The Arcuris focus on producing foundationally sound heifers and bulls that read with some of the best EPD numbers in the breed. These cattle also possess the phenotype that makes them ultra-competitive in the show ring. Arcuri Ranches has won numerous jackpots and state fairs with their females, while their bull program has produced the Supreme Champion Bull at the Klamath Bull Sale twice.

Colson Cattle is based outside of Corvallis, Oregon. The farm is keenly focused on raising the highest quality show steers and heifers for 4-H, FFA, and jackpot exhibitors. We mostly use a purebred cow-base, crossed with some of the winning-est show and club calf sires to ever stand in front of a backdrop. Understanding the genetics and how these outcrosses work is why Colson Cattle remain sound, functional, and productive. Colson Cattle are very competitive! The Colsons have produced very competitive cattle, many of which have been winners at local, state, and national shows. Colson Cattle also offers a unique opportunity for youth to raise and sell show projects through their cooperator program. For more information on the cooperator program visit with TJ or Samantha.

Arcuri Ranches and Colson Cattle partnered in 2019 for the first "Legends of the Fall Sale". Both programs have tremendous synergy. Working together not only provides our customers with more options, it also brings together more than three decades of raising superior cattle. When you purchase cattle from either operation you just don't buy an animal. You are investing into proven programs with next level service and support.

Whether you are a long-time returning customer or here for the first time, we are confident that you will be impressed and appreciate the 2021 offering of calves.

From our families to yours, we thank you for coming and for your interest in our programs!

Best Regards,
The Arcuris & Colsons

★ ★ INFORMATION ★ ★

PURCHASE WITHOUT ATTENDANCE:

Buyers unable to attend the sale can contact the sale day phones, ringmen, or auctioneer to submit their bids. Sale Day Phones will also contact buyers upon request.

TERMS & CONDITIONS:

Cattle sell under the suggested Terms and Conditions of the American Angus Association.
angus.org/pub/suggested_sale_terms.pdf

Each seller may have their own supplemental Terms and Conditions document. Such a document will be available the day of the sale.

ANNOUNCEMENTS:

Updates around the cattle or sale may become available the day of the sale. Those updates will be provided by a supplemental form in writing or verbally announced from the auction block. All supplemental updates expressed verbally or in writing the day of the sale precede the printed matter contained in this sale book.

HERD HEALTH:

All cattle will be accompanied by a vaccination health record and the proper health certificates as required.

PAYMENT, LOADING, AND YARDAGE:

Payment for all cattle being sold is due at the conclusion of the sale and before cattle are released. Payment methods include cash, check, and possibly credit card. If using a credit card, a 3% service fee will be calculated from the amount due and added to the final invoice. Sale cattle will not be released until the conclusion of the sale. Loading of cattle will require the buyer to show proof of ownership with a copy of a paid invoice and signed Bill of Sale from the sale management. If you make a purchase and are unable to remove your cattle from the sale facility 24-hours after the conclusion of the sale, you will need to make arrangements with TJ or Samantha Colson. A yardage fee of \$10 per head per day may be added for cattle staying beyond the 24-hour grace period. Under no circumstances will the Sellers (Colson Cattle or Arcuri Ranches) assume risk or liability for cattle left in yardage.

REFRESHMENTS:

Complimentary snacks, food, and beverages will be available.

COMMERCIAL HEIFERS

LOT # 1 - SIMPLIFY X UNO MAS

SIRE: Simplify

DAM: Uno Mas X Dameron First Impression

DOB: 2/1/21

This first of February born heifer calf is the one we call, "Rain". Those that know our program know of Rio. Rio is out of our First Impression cow, Ruby. Ruby's heifer calf, Rio, was a female that was campaigned throughout the west in 2020 and was one that easily found success in the ring. We elected to retain Rio to grow our program. This year, Rio had her first calf. This phenomenal heifer, who is sound, extended, big ribbed, and deep flanked is sure impressive. This is your chance to own the first of the Rio progeny. **This heifer has the possibility to be registered upon request.*

LOT # 1A - UNO MAS X DAMERON FIRST IMPRESSION

SIRE: Uno Mas

DAM: Dameron First Impression

DOB: 3/17/21

We call this heifer calf, "Raina". Those who have studied the pedigree on this female know it's a full sibling to the Rio cow referenced above. We decided to keep Rio last year or until we were able to make another one. As luck would have it, we bred our First Impression cow (Ruby) back to Uno Mas and made another. That bull has been the perfect match for this cow. These females are impeccably structured, wide based, square made, elegantly fronted, and very levelheaded. We have two very elite females being offered but we are only selling ONE. We thought we would let YOU make the decision on the one you want to own, and we will keep the heifer not sold as "choice" in the sale. Here's your chance to own Ear Tag 1 or 1A. **This heifer has the possibility to be registered upon request.*

LOT # 2 - I-80 X BLUE CHIP

SIRE: I-80

DAM: EXAR Blue Chip ET

DOB: 2/14/21

This heifer is out of our Lemon Gilt EXAR Blue Chip ET cow, Jilt. "Jade" is the name of the heifer. Talk about super heavy structured, deep bodied, cow powered female. This big eared heifer has come a long way since weaning and is only getting better and better as each day passes. She is heifer that will go on to make some incredible show steers. **This heifer could be registered upon request.*

★ ★ PUREBRED ANGUS HEIFERS ★ ★

LOT # 3 – 2103 EXAR PONDER X EXAR PRIMROSE —————
SIRE: EXAR Ponder 3515B (AAA# 17490196)
DAM: EXAR Primrose (straight from the Express program)
DOB: 1/29/21

This is a heifer you can build a registered program around! She goes straight back to the infamous Primrose Cow Family. She's a broody, big bellied female who possess that exotic angus front end everyone seeks.

LOT # 4 – 2112 WERNER FLAT TOP X ACURI'S LADY MAXINE —————
SIRE: Werner Flat Top
DAM: Arcuri's Lady Maxine 1917 (Sired by PVF Insight)
DOB: 2/10/21

Here's one sired by one of the hottest AI bulls in the angus breed right now, Werner Flat Top. To make things that much sweeter, this heifer goes back to one of our winning-est cow families, Lady Maxine!

LOT # 5 – 2119 EXAR PONDER X ACURI'S RITA —————
SIRE: EXAR Ponder 3515B (AAA# 17490196)
DAM: Arcuri's Rita 1717 (goes back to an embryo package purchased directly from Express)
DOB: 2/19/21

The grand dam of this heifer, EXAR Rita 7854, ranks among the top 10% of the angus breed for CED and in the top 15% for BW EPD's. This heifer is extremely cool fronted and very easy going.

LOT # 6 – 2114 MUSGRAVE SKY HIGH X ACURI'S WENDY —————
SIRE: Musgrave Sky High
DAM: Arcuri's Wendy 548
DOB: 2/11/21

Here's maybe one of the most storied heifers of the sale! If you know or have studied this pedigree at all you will find some of the angus breeds most prolific show lineages. EXAR Classen and Silveriras S Sis GQ to name a few. This heifers dam is from one of the most notable lineages, BAAR USA Wendy 5129. This is one you don't want to miss owning!

STEERS

LOT # 10 MATERIAL MADE X THUNDERSTRUCK

SIRE: Material Made
DAM SIRE: WAGR Thunderstruck 21B
DOB: 2/14/21

This mid-February born steer is the one we call, "Beans or JB". When it comes to power, this calf has it all. He's slick fronted, square in his design, massively hipped, and balances well. From a pedigree standpoint, he's the most elite steer calf in the offering. His granddam was Reserve Division in Denver while his dam was Reserve Female at OSF. He is sired by the great Maternal Made. They sold half interest of that bull at the 2016 Embryos on Snow Sale for \$300,000.

LOT # 11 IN GOD WE TRUST X BC LOOKOUT

SIRE: IGWT
DAM SIRE: BC Lookout 7024
DOB: 2/11/21

This steer is affectionately referred to as "Goldie Bear" around the farm. He has one of the best personalities and he takes it one step further by being one of the best steers ever raised by us. This yellow calf has tremendous hair and is extremely sound. He leads with so much power and muscle and will be a great jackpot or county fair show steer. His mother produced the 2019 Grand Champion Market Steer at the Benton County Fair. This is another calf who comes from bloodlines that have dominated their respective breeds and show rings.

LOT # 12 UNO MAS X VIN-MAR O'REILLY FACTOR

SIRE: Uno Mas
DAM SIRE: Vin-Mar O'Reilly Factor
DOB: 2/4/21

If you are looking for a steer who is the most efficient converter, look no further and meet "Earl". The clubby bull Uno Mas has done incredible things for our program. Therefore, we elected to match him to our best producing angus cow for this one. Our Ever Entense Ellie cow produced the 2020 Reserve Grand Champion Market Steer at Benton County Fair. When you study this steer, it's easy to see that he's the biggest structured and massive calf being offered. Just sheer power and performance. He will be an easy feeding steer perfect for jackpots and early county fairs.

LOT # 13 MAY WE ALL X CONNEALY BLACK GRANITE

SIRE: May We All
DAM SIRE: Connealy Black Granite
DOB: 2/9/21

"FGL" has been a standout of ours since hitting the ground. This steer is super athletic and balances up as good as any of the cattle being offered. The angus haired steer profiles exceptionally well and when you really get to studying on him you will see that he packs a ton of power into his skeleton.

STEERS

LOT # 14 STEAM ROLLER X ARCURI'S RESISTOL

SIRE: Steam Roller

DAM SIRE: Arcuri's Resistol 1607

DOB: 2/13/21

Around the farm we call this calf "Hi-Ho Silver". His name has nothing to do with his pedigree. Simply, this silver haired calf is amazingly goose fronted. When he's in the pen and on the move, his arrogance with how he carries himself is easily discovered. Don't let that be of concern as this steer is super gentle. He is a steer that packs a tremendous amount of muscle into his body. If you want one that's big ribbed and sappy bellied, he's the one you're after.

LOT # 15 CHOPPIN WOOD X EXAR UPSHOT

SIRE: Choppin Wood

DAM SIRE: EXAR Upshot 0562B

DOB: 3/17/21

"Axe", who's an almost white colored steer, might be a perfect candidate for a slick show. Even though he comes from some old school genetics, they are genetics that have produced thousands of wins over the years. He is huge hipped, super square topped, and has great rib shape. As one of the few March born calves, he will work for several different applications.

LOT # 16 UNO MAS X CHOPPIN WOOD

SIRE: Uno Mas

DAM SIRE: Choppin Wood

DOB: 2/4/21

"King" is one of the cooperative calves in the sale. Raised in partnership with Grace Cattle, who purchased our Choppin Wood Cow "Kate" as a bred during our private treaty bred female sale, is one of only two double bred clubby steers in the sale. King is an early born February calf that will work for those early season shows and fairs. This calf is another strong converter who possess a tremendous amount of muscle and power.

LOT # 17 UNO MAS X JESSE JAMES

SIRE: Uno Mas

DAM SIRE: Jesse James

DOB: 3/5/21

"Arnie" is the other cooperative calf in the sale. Raised in partnership with Maddie Jo, this steer is the only other double bred clubby steer in the sale and the only other March born calf. This is one of our favorite steers in the sale. You must appreciate this one's bone, extension, design, and power. He's also one the deeper body steers in the sale adding to his overall appeal. This steer has a bright future ahead.
